4. What are the strong and the weak points of the project in terms of the type of the organization approved to be involved in the project?

Strong points:

- A lot of competencies and work areas covered by the organizations involved in the project
- 4 strong organizations with good experience
- The 4 organizations with strong experience
- The background of the partner organizations; experience in working with one of them before
- Expertise
- 4 organizations means 4 countries and 4 different cultures, experiences etc.
- The exchange the experience and knowledge
- Well experienced partners
- Well experienced coordinator
- Partners know each other

Weak points:

- Too less partners

Expectation questionnaire for the LdV Partnership project CO-BUS-VET

- No VET schools approved in the project
- Not so many countries
- Low number of partners approved; no school approved
- Level of English in the Spanish center
- There are not organizations approved who were supposed to work with teen and do activities with companies
- No schools involved in the project so less partners involved in CO-BUS-VET

5. *How effective do you expect to be the cooperation between the organization involved in the project?*

- Very effective due to the previous experience
- Successful at professional level because of exchange of good practices; at human level chance to sharing of culture and values
- Just very effective
- Exchange experiences
- Know-how
- New ideas for new projects
- Share ideas with the other organizations
- Very effective! I expect new ideas, new experiences
- Exchange of good practices
- Cultural exchange
- Beginning of a long partnership

6. *Additional comments:*

- I am sure we have the best coordinator
- I am sure everything in the project will be OK and the project CO-BUS-VET will be a success.
